

پنجمین کنفرانس بین المللی زلزله شناسی و مهندسی زلزله
5th International Conference on
Seismology and Earthquake Engineering

Dr. A. M. Halabian
Isfahan University of Technology

Subject code: SC-139-C
Date: April 7, 2007

Dear Dr. Halabian,

It is our pleasure to announce that your paper entitled,

**“Application of Tuned Liquid Dampers with Screens to Control
Seismic Response of Structures”**

Co-author(s): M. Torki

has been reviewed by the scientific committee of the SEE-5 Conference and accepted for poster presentation.

It should be noted that presentation of papers would require registration and payment of the conference fee.

Further details about the conference including registration, lodging, etc. can be found in the conference website (www.see5.ir).

Your presence is important for the success of the conference. We hope that the conference will provide an interesting forum for the exchange of views on topics related to seismology, earthquake engineering, and earthquake risk reduction.

Sincerely,

M. Mokhtari
